UnitedHealthcare Student Resources (UHCSR) does not require students to submit claim forms. We have simplified the process for you.

1) Create your My Account and print your health insurance card for this academic year (instructions below).

2) Make a copy of your statement from McKinley Health Center or the medical facility/physician where you received services.

3) Return to “My Account” on “Submit Claim”, then click Ok. Follow instructions provided.

How to set up your account:

1) Visit si.illinois.edu
2) Click on Forms
3) Select ID Card
4) Login to My Account
5) Click Create Account
6) Follow the directions and prompts
7) Print your health insurance card for this academic school year
It is necessary that our office and UnitedHealthcare Student Resources (UHCSR) have your updated personal information, including your local/campus address, in order for you to receive mailings or file claims.

You must update BOTH of these sites:
- UI-Integrated system
- UHCSR system

**UI-Integrated Self Service site:** apps.uillinois.edu/selfservice

1) Login using your Net ID and password
2) Click on the appropriate campus
3) Go to Personal Information tab
4) Click Personal Information
5) Click Addresses and Phones
6) Select Mailing Address
7) Update your mailing address and information to match your local/campus address
8) Click Submit

**UHCSR site:** uhcsr.com/illinois

1) Login to your My Account
2) Click My Profile in the upper right hand corner
3) Click Explore under Personal Information
4) Click Edit to update
